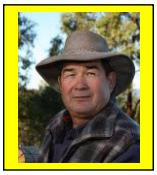
Our "Mozambique" Day

Enngonia Mate Helping Mate – Free BBQ Dinner

Thank you to everyone who came along and supported this wonderful evening. **John Harper** was very interesting as he told us of his personal experience with the "black dog" – depression. It certainly gave us a lot to think about.

Special thanks and acknowledgement must go to **South Dubbo Rotary** who sponsored the BBQ dinner.
Their contribution was very generous and most appreciated.



Thank you also to the many service providers who supported the evening.

After School Learning Centre

Monday and Wednesday afternoon from 3 pm—4.30 pm.

We are offering the students a 45 minute computer session followed by a 45 minute cooking lesson.

Kim Smith and Lynn Mallon will be running the sessions but we would also appreciate any assistance from other parents or community members who would like to volunteer their time to help out.

Next session will be Wednesday, 10th November.

We hope that the students will be shown a range of computer skills and then cook something delicious to have for afternoon tea.

Children Leaving School Grounds

All students must remain within the school grounds from the time they arrive at school until the end of the school day. The only exceptions are:

- Signed permission note from parents to go home for recess and/or lunch,
- Permission from a staff member for the student to go home.

If your child arrives home unexpectedly during school hours, please contact the school as soon as possible.
