Week 2

Term 4

From the Principal.....

Hi Everyone,

We have had a great week at school!

We have started to learn our play for the Christmas Tree at the end of the year. We are also continuing to practice our dance.

Our Transition students have been coming to school each morning Mon-Wed and have just started coming in the afternoons as well. It's great to see these students fitting in so well to big school!

School Photos will be taken on Tuesday next week. A price list and order form is attached to the newsletter. Please bring the order form back on the Tuesday. Students need to be in full school uniform this day.

Active After School will be held on Monday afternoons for the rest of this term. The activity will be swimming in the pool.

Just a reminder that the pool will be open to the community for swimming on Sunday 27th October between 2-4pm. Entry is a gold coin donation and children must be accompanied by an adult over 18yrs.

My Student of the Week this week is Raeleah Smith. Raeleah receives this award for wonderful sentence writing and use of sight words. Well Done Realeah!

Regards

Melissa Harrison

Preschool

This week we have been busy doing different art and craft activities.

We also have been looking at different types of fruit. We made fruit kebabs. They were really yummy!

Playing with the doll house was lots of fun. Thank you Christine for fixing it for us.

It is starting to get hot at lunch times. If it gets really hot we will play under the sprinkler. Can you please pack spare clothes or swimmers for your child so we can get as wet as we like.

School photos will be next Tuesday. Can you please dress your child in the preschool shirt (if you have one)

Please make sure you pack your child a **bottle of water** every day. It is getting hotter and the children need water to keep hydrated.

Student Medical Forms

During terms 3 and 4 we will be updating our medical record systems to ensure we have the most up-to-date information on your child's health.

If you have a child with a medical condition you will receive a copy of the new forms in the mail and will need to fill them out and return them to us as soon as you can.

We have already started collecting some of this information.

The new forms will help us collect your child's important medical information and the introduction of new systems will mean we'll be able to better manage the daily and emergency health needs of your child.

We appreciate your support as we start collecting the information, and if you have any questions please call.

Spelling City!

The school has purchased a licence for the website www.spellingcity.com On the site students can access their spelling list for the week and do a variety of tasks and games, which helps to reinforce their words and spelling rules. We have given every student in Years 2-4 a user name and password to access the site. Students are able to use the site from 8.30am-8.50am each morning or access it at home if they have Internet. If your child has forgotten their username/password please contact the school.

Dropping Off / Picking Up Children

Just a reminder that students cannot be at school before 8:30am. There is no supervision for students before this time.

Students should also be picked up from school no later than 3:15pm, unless there is an after school activity taking place.
