Preschool

We found a green frog at preschool. We put it in the water trough and watched it swim.

Jazminn, James, Kiara and Charlee worked together to build a really tall tower. The tower was taller than they were.

We all took turns to line up and run up the slide. We needed a long run up to get all the way to the top.

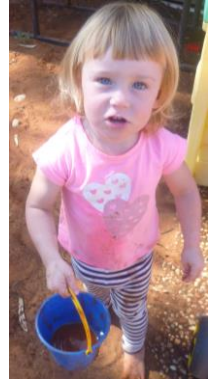

Swimming is so much fun and we are all getting better and better at it.

Making Chocolate cakes

Clementine stayed to play with us for a while and she was making chocolate cakes out of mud.

Peer reading

Some of the big school kids came over and read to us. We loved it.

Pretend Play

Alex and Kiara were pretending to look up the internet and find information on dinosaurs.
