Week 2
Term 4

From the Principal.....

Hi everyone,

It has been great to see some rain!

Swimming has begun for the term. Please make sure all students in Preschool to Year 6 bring swimmers and a towel to school each day.

On Tuesday next week we will be having touch footy clinic. This will begin at 11:30 and will be for students in Preschool to Year 6. A flyer with more information is attached.

On Wednesday we also have a science day. We will be joined by students from Weilmoringle and DE. There will be canteen available for recess and lunch on this day.

Our school, along with all those in the Bourke area roll onto a new finance system. This change is going to take the rest of this term to fully in place. Please be patient if you require to make or receive payments, as this process will take longer than usual.

My student of the week this week is Gabriel Smith. Gabriel receives this award for showing kindness, patience and care towards other students. Well done, Gabe!

Regards,

Melissa Harrison

Preschool News

It is wonderful to be back in preschool this week where we had a load of fun! We played a lot with glitter, making garden scenes, cards and fish. We also made many wonderful artworks which we shared with each other in an art parade. This week we started learning our dances and songs for presentation day at the end of the term.

Outside we really enjoyed tending to our wonderful new playground. Using a pretend lawnmower, wheelbarrow and watering cans, everyone did a great job helping to keep our garden in great shape.

Some of the girls really enjoyed practicing yoga, learning new stretches and yoga position names.

Our amazing new chair also had us eager to sit on the comfy cushions and do some reading. We were amazing!

This week we also got to swim in the pool! It may have been very cold but no ones' enthusiasm was dampened.

Special Food

Our special food for this week was rock melon. We talked about what it would taste like and everyone thought it would be sweet and juicy. They were right!

Dress Ups

This week we particularly loved dressing up! We dressed up as hula girls, Spiderman, frogs, Minnie Mouse, brides and more.

Working with Children Checks

If you would be interested in doing any work at the school you now need a paid working with childrens check.

Please see Mary Edwards at Landcouncil for more information on applying.

Alternatively see Kahla Baker at the school for assistance.

If you already have a check please bring a copy up to the school.

Culture and Community Programs

On a Wednesday each fortnight we would love to run some culture and community programs in the school. We are looking for volunteers from the local community who would be willing to share some skills and knowledge with the students.

We would like to set up a program so that lots of different activities can be offered from a variety of perspectives.

If you would like to volunteer please contact the school.

Music Lessons

We are offering the schools video conferencing facilities for students to have private keyboard or guitar lessons.

This would run after school for half an hour lessons. Students wishing to learn guitar would need their own.

Students wishing to learn keyboard would be able to use the schools.

The cost is \$32.95 for a 30min lesson and the lessons would run weekly.

If you are interested in your child having lessons please contact the school for more information.
