Term 3
Week 3

From the Principal.....

Hi everyone,

We had a great time at the Goodooga Indigenous games on Thursday. Everyone tried their best, and well done to Jahqualyn and Holly with their team getting third place for the day. A special congratulations to Ben for winning the individual best and fairest award.

Next Monday is NAIDOC Day from 10-11. The Theme is 'Because of her we can' and we will be making cards and some beading. Everyone is welcome to come and join us! Hope to see you there!

Our major excursion is this term! We are going to Charleville in week 9. The cost of the excursion is \$100 per child. This must be paid by week 7. A packing list and itinerary has been sent home and a permission note will soon follow.

My student of the week this week is Ben Stone. Ben receives this award for his outstanding sportsmanship and participation at the Goodooga indigenous Games. Well done Ben!

Regards,

Melissa Harrison

PRESCHOOL NEWS

In the next few weeks I would like the chance to do family-teacher meetings to chat about your child's development and semester goals. This will only take 10 minutes if you could let me know when you're free.

We have had another full week of fun in preschool and enjoyed creating a dinosaur out of recycled materials, playing matching games, making our own chalk and listening to classical music as we danced the ballet. We also took advantage of the wind and flew the kite on Tuesday! Our special food this week was trombone pumpkin which Bella-Blue brought in and we made pumpkin scones with it. We also continued working on our STEM project in order to test our local soils, and are trying to grow sunflowers in four different soil types.

Bush Preschool

This week in bush preschool we took clipboards and drew pictures of what we could see.

Then we counted how many there were and drew the numbers to match. We also decided to make a pretend camp fire and collected sticks and leaves.

Then we used twigs to roast marshmallows over the camp fire. We also talked about the importance of putting out a fire and how to do so. In the coming weeks we are focusing on setting up our Bush Preschool program and teaching the children about how to behave and be safe outside of the school gates. Once this is established we would love to invite families to come and share your stories and help teach the children about our local environment and community. Please come and see Miss Petty to organise this.

Culture and Community Programs

On a Wednesday each fortnight we would love to run some culture and community programs in the school.

We are looking for volunteers from the local community who would be willing to share some skills and knowledge with the students.

We would like to set up a program so that lots of different activities can be offered from a variety of perspectives.

Music Lessons

We are offering the schools video conferencing facilities for students to have private keyboard or guitar lessons.

This would run after school for half an hour lessons.

Students wishing to learn guitar would need their own.

Students wishing to learn keyboard would be able to use the schools.

The cost is \$32.95 for a 30min lesson and the lessons would run weekly.

P & C General Meeting
