Opportunities For All

Enngonia Public School Newsletter 24th August 2018

Term 3
Week 5

From the Principal.....

Hi everyone,

This week on Monday we celebrated NAIDOC day. We made cards and bracelets for women in our lives that were special. We hope that the students gave them to you!

Next Thursday is the District Athletics in Bourke. Thank you to those people who have already returned their permission notes. The first event begins at 9:30am, so we will be leaving school at 8am. Please make sure students are in school uniform and bring a drink bottle. There will be a canteen available on the day.

Just a reminder that the school excursion **costs \$100. There are only 3 weeks left to pay.**

A note is also attached to the newsletter if you would like us to treat your children for head lice at school. It is still a problem.

ATTENDANCE IS IMPORTANT. Please come to school every day!

My student of the week this week is Dusty Cross. Dusty receives this award for her well written story with great adjectives and illustrations. Well done Dusty!

Regards,
Melissa Harrison

PRESCHOOL NEWS

This week we started planning for a new theme which is space! If anyone has anything that looks like it belongs in space or a rocket and would like to donate it to Preschool that would be greatly appreciated. We also would love to borrow a child's car seat if anyone has an old one lying around as we are planning to build our own rocket ship and space centre.

We are continuing to learn about the Earth and this week have been exploring all things dinosaurs! We are hatching our own dinosaur egg and did a dinosaur excavation dig. Everyone is becoming a fantastic archaeologist!

This week we also did lots of drawing, learned to play uno, built grand buildings and did lots of counting. We pretended to be pirates and read books about space. The children held meetings and began rehearsing our presentation day play.

Fort Sticky

We built an amazing fort on Wednesday using cardboard boxes, sheets and pegs. It was a great feat and everyone worked well as a team in order to build and do maintenance on the fort. The children decided to call it Fort Sticky.

Bush Preschool

This week we did paintings of the local landscape. The children only used colours that they saw in the environment and did some colour mixing in order to make the colours more realistic. They painted trees, kangaroos, grass and storms.

Reading Helpers

We are looking for helpers to listen to the students read.

Any morning you could stay for 10 minutes after assembly would be greatly appreciated by staff and students.

Culture and Community Programs

On a Wednesday each fortnight we would love to run some culture and community programs in the school.

We are looking for volunteers from the local community who would be willing to share some skills and knowledge with the students.

We would like to set up a program so that lots of different activities can be offered from a variety of perspectives.

Music Lessons

We are offering the schools video conferencing facilities for students to have private keyboard or guitar lessons.

This would run after school for half an hour lessons.

Students wishing to learn guitar would need their own.

Students wishing to learn keyboard would be able to use the schools.

The cost is \$32.95 for a 30min lesson and the lessons would run weekly.
