Term 4
Week 2

From the Principal.....

Hi everyone,

We have had a lovely week this week. It is great to see students behaviour improving and working hard at their lessons.

Next Tuesday people from Active Kids will be in Enngonia at 11am to assist in signing up for the \$100 sports vouchers. These can be used by the school to help pay for specialist sports teachers to come to Enngonia. They will be providing a BBQ lunch. Please come along!

Swimming will most likely begin on Monday. We are just waiting on a new part for the filter. Please send students to school with swimmers from now on.

Attendance continues to be an issue and some students are regularly arriving late at school. Can parents please contact the school if their child is running late or not coming otherwise you will be contacted by the school after 9.30am to check where they are.

My student of the week this week is Jermiriki Gillon. Jimmy receives this award for writing excellent sentences independently. Well done Jimmy!

Regards,

Melissa Harrison

PRESCHOOL NEWS

Preschool had lots of visitors this week, with Mrs Edwards and Miss Harrison getting to teach them. Lyndal (P-2 Initiatives Officer) and Tess (a Preschool teacher from Broken Hill) also visited. We had Mobile Preschool here this week too!

We did lots of learning about the body this week; learning about muscles and the digestive system. We made our own models to show how they look and work.

The children also had fun playing with nets, playdough, bikes and the cubby house, while also playing doctors.

Special Food

Our special food for this week was choko! Most of the children had never seen or had one but were keen to try it cooked and raw.

Chocolate Crackles

The big kids came over on Wednesday and we all made chocolate crackles. Everyone had such great team work!

Reading Helpers

We are looking for helpers to listen to the students read.

Any morning you could stay for 10 minutes after assembly would be greatly appreciated by staff and students.

Culture and Community Programs

On a Wednesday each fortnight we would love to run some culture and community programs in the school.

We are looking for volunteers from the local community who would be willing to share some skills and knowledge with the students.

We would like to set up a program so that lots of different activities can be offered from a variety of perspectives.

Music Lessons

We are offering the schools video conferencing facilities for students to have private keyboard or guitar lessons.

This would run after school for half an hour lessons.

Students wishing to learn guitar would need their own.

Students wishing to learn keyboard would be able to use the schools.

The cost is \$32.95 for a 30min lesson and the lessons would run weekly.

P & C General Meeting

The next General Meeting of the Enngonia School P&C will be held on Tuesday 23rd October 2018 starting at 3.15 pm.

An invitation is extended to all parents and community members to attend and voice your opinions about what is happening in our school and what you would like to see in the future eg excursions, activities and programs, fund raising etc.

Only current financial members are eligible to vote at P&C meetings.
