Term 2 ISSUE # 5

PRINCIPAL'S MESSAGE

What an awesome week we have had! Lots of learning indoors and out, and great to see our students excited to be learning and playing with their school friends once again.

Breakfast club is back up and running and I would like to express our thanks to Rachel who has jumped in to help serve delicious warm toast each morning.

Our bacon and egg breaky rolls were a big hit on Monday and I did hear a whisper that pancakes might be on the menu next. If you love pancakes, make sure you are at school before 8.45am next Tuesday to get them while they are hot! Students only- sorry mums and dads.

Some GREAT news...our 'managed return to school', as guided by the DoE, now allows for preschool parents/carers to come into the preschool to sign their children in and out each day. We are extremely happy with this and will let you know as soon as other non-essential adults can come back into our school grounds.

If the school has your most current mobile phone number, you can receive reminder texts about important dates. Please let us know if you would like to be sent these messages. You can also use this phone to let us know via text or phone call if your child will be absent from school: **0437 968 146**

The mid-term break starts tomorrow, Friday 29th May and school will return on Tuesday 2nd June. Enjoy!

At Enngonia PS, we acknowledge and pay our respects to elders past, present and future and extend that respect to all Aboriginal people we live and work with, for they hold the hopes and dreams for the future of our country.

STUDENT of the WEEK

Our first **STUDENT of the WEEK** for Term 2 is:

ARABELLA

Arabella has returned to school full of enthusiasm! She has been fully focused on all learning tasks and is proud of her achievements.

Arabella- we are impressed! Thank you for being an excellent role model.

POSITIVE BEHAVIOUR LEARNING Week 6 focuses

In each newsletter we will include our behaviour focuses. Our Week 6 focuses are shown in this table.

Over the coming weeks we will be holding a competition to select a drawing that will become our PBL mascot, and another competition to name it!

So... watch this space!

RESPECTFUL	RESPONSIBLE	LEARNERS
A respectful student remembers their manners- at school and at home.	A responsible student uses the bathroom sensibly to wash their hands- without shouting.	A learner perseveres- even when learning seems tricky or difficult.

WELCOME

We'd like to extend a big warm welcome to Latari and his family! Latari has joined our Kindergarten/Sugar Gliders class and we couldn't be happier. We hope you love Enngonia Public School as much as we do, Latari!

SORRY DAY and NATIONAL RECONCILIATION WEEK

On Tuesday, 26th May we read the story 'Sorry Day', by Coral Vass and Dub Leffler. This is a great story to help explain to children about Sorry Day and Australia's history of stolen generations. We also acknowledge National Reconciliation Week this week and have focused on this year's theme, 'In this Together' to help our students understand the importance of reconciliation.

We have a copy of this book in our school library, which can be borrowed by students and their families.

LEARNING in PRESCHOOL

The preschool and primary school came together to read the story *How the Birds got their Colours*. In our discussion we realised that the birds who helped their friend, all got colours. The bird that didn't help, kept his original colour. We were so inspired by the beautiful illustrations and different colours that we painted pictures about the story. We used the primary colours, red, blue and yellow, to create our favourite colours. Willow and Clementine used blue and yellow to make green. When they used more blue paint, the green became darker. After quite a bit of mixing, they had created a new shade of blue that we named 'Enngonia Blue'
