PRINCIPAL'S MESSAGE

What strange times we are living in! At Enngonia PS, while we continue to follow COVID regulations, we are very lucky to be able to carry out our school days with relative normality. Please remember that parents are currently not allowed to enter the school, and all visitors must wear a mask and sign in on entry using the QR code.

Due to COVID-19 and its affects in other localities, we unfortunately have seen the cancellation of the Goodoga Games and the Small Schools Athletics Carnival. While this is disappointing, we understand that it is unavoidable.

In what we are hoping will be good news, we have secured a place at Lake Burrendong Sport and Recreation Camp for Term 4, for students in yrs 2-6. We are really hoping this will go ahead. Further information will come home in a separate note during the next couple of weeks.

This week we celebrate Education Week in NSW schools. While Enngonia PS will not be holding any special activities this week, we are hoping to be able to combine Education Week with Book Week, later in the year.

From this week, future newsletters will be published on the Monday of each ODD week.

We hope you all have a great fortnight!

Paula Buttenshaw Principal
